

APPEAL FOR CLUB DONATIONS

To all OBLBC Members:

Recently, Brent Merchant posted an article in the Presidents Blog detailing the financial state of our club. He pointed out that the savings accumulated over the years had been used to fund Anderson House renovations which resulted in meeting our operating expenses difficult.

Given this situation, we need your help and are seeking donations so that our expenses can be met until the end of April 2019. The 2019/20 membership fees should cover our operating costs and expenses until fiscal year end in September 2019.

Members wishing to donate funds should complete the [online donation form](#) which describes how you donate by cash, cheque or Electronic Funds transfer (EFT), in the same way as we now pay our annual membership fees. Those members who are unable to use the online form should contact me personally.

Cash and cheques (made payable to OBLBC) can be given to me or any member of the executive until a permanent secure office deposit box is set up.

Donations will be listed on our main website by surname in 'received by' order; with no amount beside it. I will update the total donation amount regularly. The online donation form also offers you the opportunity to be listed as "Anonymous" if you prefer.

These donations will be used to meet club operating costs. If funds above that are received, they will be considered for capital projects from the OBLBC wish list.

Thanking you in advance on behalf of all members of your Executive Committee.
